

MINISTRY OF MENDING NEEDLE GUIDE

CREWEL - suitable for embroidery on non-stretch clothing.

SHORT DARNER - perfect for darning small areas on non-stretch clothing.

LONG DARNER - use with a Speedweave or when darning large areas/long lines on non-stretch clothing.

SASHIKO - ideal for darning thick clothing e.g. denim.

SHARPS - can be used for general sewing repairs e.g. hemming or adding a button.

TAPESTRY/CROSS STITCH - suitable when stitching stretchy clothing e.g. a t-shirt.

YARN DARNERS - best for darning thick knitted clothing e.g. chunky knit jumper.
